BAPSH Ltd STUDBOOK REGISTER I

COVERING CERTIFICATES FOR PRE PRODUCTION IN THE UK & EIRE

All documentation for PRE Breeders in the UK & IRELAND is handled by the BAPSH Ltd registry office.

PRE covering certificates must be applied for by the **Stallion owner - AS SOON AS THE MARE IS CONFIRMED IN FOAL**

Each stallion must be registered with BAPSH Ltd, and must also be transferred on LGPRE via Service 619 into the owner's BREEDER CODE The stallion must be APTO (Approved for Reproduction by the Spanish Studbook - either by FESCCR or by LGPRE).

The certificates can be obtained in 2 ways:

1. By sending to the Registrar the following details for EACH Certificate required:

- a. their Breeder code
- b. the Stallion's Name and Spanish Studbook registration code
- c. the Mare's Name and Spanish Studbook registration code
- d. the Covering Dates
- e. the fee of £5.00 per Certificate (cheques payable to BAPSH Ltd or payment by Bank Transfer)

The BAPSH Ltd Registry Service will then issue the completed Covering Certificate as requested and post direct to the Stallion owner.

2. The Stallion owner requests from the BAPSH Ltd Registry Service their own private LGPRE access password to their area on the Private breeders zone on the LGANCCE website (www.lgancce.com).

The stallion owner can then enter their personal area and create their own Covering Certificates. These will print off as 2 copies, one for the mare owner, and one for the stallion owner – both must be signed by the stallion owner and also, preferably, by the mare owner. **The Stallion owner's copy is photocopied and sent to the BAPSH office to arrive before 1st December** and must be accompanied by a fee of **£2.00 per Certificate**.

Both the stallion owner and the mare owner must sign all pages of the Covering Certificate before the copies are split up.

The mare owner's copy becomes the FOAL'S BIRTH CERTIFICATE - essential for registering the foal.

HOW TO COMPLETE THE COVERING CERTIFICATE

FILL OUT THE FOLLOWING SECTIONS:-

1. MARE INFORMATION

- i. Mares code = the mare's full spanish registration code
- ii. Microchip
- iii. Breeder's Code = **the Breeder code of the Mare's current Owner**
