An AFFIX is Registered with BAPSH Ltd permanently; ownership of an AFFIX may be transferred upon application to BAPSH Ltd. No AFFIX will be accepted that copies a famous Spanish Stud Affix or which closely resembles an Affix registered with BAPSH Ltd. All AFFIX applications are presented to the Directors for approval. The Directors reserve the right to refuse registration of any AFFIX deemed unacceptable, and an alternative word or letters will be requested. BAPSH Ltd Registered AFFIXS are only for use on BAPSH Ltd Registered horses.

**NOTES:**

- 1) An AFFIX is used in combination with a horse's individual name and the **MAXIMUM NUMBER OF LETTERS AND SPACES** that may be used when registering a **PRE is 20 in total**, (Partbreds may use 25 letters) so a short AFFIX will give more choice and flexibility in naming individual foals.
- 2a) An AFFIX may be an actual word or an abbreviation of a name or a set of initials.
- 2b) AFFIXES - Must NOT be any combination of letters that result in a Roman Numeral. AFFIXES that are THREE Letters or LESS will also have to be Approved by the ANCCE-LGPRES. BAPSH Ltd advise using FOUR Letters or more in your AFFIX to avoid this extra 'hurdle' before approval.
- 3a) Indicate below whether the AFFIX will appear at the START of registered names or at the END.
- 3b) Partbred horses bought in (after weaning) by a BAPSH Ltd member with a registered AFFIX may have that AFFIX added to the end of their name using either the word 'of' or the word 'from' to attach the AFFIX.
- 4) Once an AFFIX has been Approved you will receive a Certificate from BAPSH Ltd confirming the Registration
