INSTRUCTIONS - CHANGE/TRANSFER OF OWNERSHIP IN THE UK 2022 FOR PRE ASSOCIATED BREEDS All Studbooks, Sections & Appendices (PRE Fusion, Hispano-arab, Spanish-Norman, Spanish Spotted Saddle Horse, Albion Azteca, RMH)

**UK EQUINE LAW - ALL CHANGES OF OWNERSHIP for THESE HORSES to be
REGISTERED with BAPSH Ltd within 30 DAYS of PURCHASE**

UK EQUINE LAW REQUIREMENTS - COMPULSORY

This Transfer accomplishes the Change of Ownership within the UK for BAPSH Ltd Registered Horses. It updates the Passport into the new owner's name and address, and updates the UK database records, including the DEFRA Central Equine Database, so that your horse's MICROCHIP is registered to your contact details.

Registering a Transfer of Ownership is a legal requirement for all horses within 30 days of the Sale being completed. New regulations from DEFRA will now require Notification to their Enforcement officers if the Change of Ownership is not completed on time. ***BAPSH suggests that the Seller pays for and completes the BAPSH Ltd Transfer to ensure the sold horse is no longer the Seller's legal responsibility***

NOTE: IMPORTED HORSES MUST be IMPORT Registered with an EQUINE PIO within 30 days of Arrival in the UK and this also registers the new Owner's Name and Address; do NOT use this form to Import Register your horse. To check which breeds BAPSH registers go to this page [STUDBOOK & BREEDS REGISTERED](#) Horses with 25% or more Certified PRE (APTO) blood are eligible for registration in one of the 5 BAPSH PRE-Associated Breed Studbooks - check with the Registrar if you are unsure which Studbook is appropriate.

Horses of PRE-Type with uncertified or undocumented PRE ancestry are eligible for registration in the PRE Fusion Horse Studbook Appendix-B if they meet the criteria.

Owners MUST complete a UK Import Registration with BAPSH Ltd which includes the Transfer of Ownership at no extra fee. See BAPSH website section on [Imported Horses](#)

PROCEDURE FOR TRANSFER OF OWNERSHIP

Download the BAPSH Ltd Transfer of Ownership Form from www.bapsh.co.uk . Complete the form clearly and legibly with all the requested details, **including date of sale**, and the **Signatures of both Seller and Buyer**.

NOTE: The form will be rejected without the genuine seller's signature. If this has not been achieved, it may be possible to accept the Seller's Signature on a fully detailed Sales/Purchase Receipt which gives the Horse's Name, UELN, Microchip, Seller Name & address and email or Phone number , Seller's Signature, Date of Sale, and the Name and Address of the Buyer.

The fee is **£35.00 - inc P&P** 'Royal Mail Signed For' service (Cheque/Postal Order paid to BAPSH Ltd). If a Bank Transfer is more convenient the Account details are at the bottom of the Transfer Application Form.

Send the Transfer Form, with the Horse Passport and the Cheque, to the BAPSH Ltd Studbook Registrar by either Special Delivery or Royal Mail Signed For Delivery. The Registrar will complete all necessary changes of ownership for UK law and return the Passport to you within 7-10 working days and all changes are uploaded to the DEFRA Central Equine Database.

Completion of the Transfer means that the horse is now the legal responsibility of the new owner within the UK, the DEFRA CED is updated, and the MICROCHIP is registered to the New owner's contact details.

If there are any difficulties with completing the Transfer Procedure as given above, then please get in touch with the Registrar straight away so that the problems can be tackled before the DEFRA 30 day deadline is reached.
